Large Agricultural Field for Sale in Peaceful Avgorou Area of Famagusta

€130,000

 Avgorou, Famagusta

For sale: A spacious field with a total plot size of 17,325 square meters, located in the peaceful area of Avgorou. This large plot offers an excellent opportunity for agricultural use or future development. It is set in a quiet location, surrounded by open landscape and enjoys impressive mountain views in the distance.

Avgorou is well-known for its traditional atmosphere, friendly community, and a blend of both rural and modern amenities. The area is characterized by flat, fertile land, making it ideal for farming, while also being close to shops, schools, and local services. The village is connected by good road links, making travel to neighboring towns easy.

Whether you are looking to invest, build, or simply enjoy a piece of natural beauty, this field provides plenty of space and endless possibilities. With its generous size and beautiful setting, it is perfect for those seeking tranquility and scenic surroundings.

This property is proudly advertised by CIC Properties, offering support and expertise throughout your purchase
