110 m² Mixed-Use Property Building in Oroklini Area of Larnaca

€1,200 /month

 Oroklini, Larnaca

A mixed-use space in Oroklini, Cyprus offers 110 square meters of usable area, ready for a new tenant to take on. The interior is existing, used space rather than new construction, giving a tenant a working shell to configure for the intended use rather than a blank build. Its mixed-use classification allows for a range of commercial or combined commercial-residential applications, subject to the terms of the lease.

The unit sits close to amenities, putting daily errands and services within easy reach without a long drive. Beyond the
