515 m² Building Plot in Chrisopolitisa Area - Near METRO Supermarket & City Center €360,000

Chrisopolitisa, Larnaca

A 515 square-metre building plot in Chrisopolitisa offers the opportunity to develop a custom property in an established residential area. The large plot is positioned to capture city views, with immediate access to local amenities. The location provides convenient proximity to everyday services and facilities, making it practical for residential development.

Chrisopolitisa is a residential district with a mix of apartments and detached houses, most of them low-rise.
