

#10819

Building Plot in Ormideia, 1,587 m² - With Easy Acces To Highway

€35,000

 Ormideia, Larnaca

A 1,587-square-metre building plot in Ormideia offers scope for substantial development. The land lies close to the highway and within reach of local shops and services.

Ormideia is a village in the Larnaca district. Amenities include food shops, pharmacies, and places to eat. The area is made up of detached houses on larger plots, typical of the region's low-density residential character.

Contact CIC Properties to discuss development potential and arrange a site visit.
