## 525 m2 Residential Building Plot in Kiti Area - Between Perivolia and Kiti Area

€165,000

 Kiti, Larnaca

This residential building plot in Kiti measures 525 square meters and is offered at 165,000 EUR.

The parcel carries residential zoning for new ground-up construction.

Kiti sits southwest of Larnaca and adjoins Dromolaxia. Supermarkets, bakeries, pharmacies, and eateries line the village center. Low-rise detached houses and small residential buildings characterize the area.
