654 m2 Residential Building Plot in Kiti Area of Larnaca - Near Community Stadium

€160,000

 Kiti, Larnaca

A 654 m2 residential building plot in Kiti provides substantial space for ground-up construction.

Residential zoning governs the site, establishing baseline development permissions for a private dwelling.

Kiti lies southwest of Larnaca, adjoining Dromolaxia. The village center carries supermarkets, pharmacies, bakeries, and banks. Low-rise detached houses define the surrounding streets. Larnaca International Airport is around 10 minutes by road.
