Spacious Residential Plot in Meneou - Under Division

€160,000

 Meneou, Larnaca

Offering an excellent opportunity to design and build your custom residential home, this 520 m² plot in Meneou is available for sale at €160,000.

The plot forms part of a larger 13,021 m² field, which is currently undergoing a division process. Upon completion of the division, the 520 m² plot will form a separate residential parcel.

Located within a peaceful residential area, the property offers a pleasant setting for the development of a private family residence or residential investment. Its size provides flexibility for creating a modern home tailored to individual requirements.

The location also offers convenient access to nearby amenities and everyday services, while easy access to the highway provides excellent connectivity to Larnaca and surrounding areas.
