

#11277

Large Residential Plot in Perivolía Area with Green Area Infront and in Quiet Residential Area

€280,000

 Perivolía Larnakas, Larnaca

Offering an exceptional development opportunity, this generous 1910 m² residential building plot is ideally situated in the charming village community of Perivolía Larnakas, Cyprus. Offered at 280,000 EUR, this expansive parcel presents a rare blank canvas for purchasers looking to design and craft a bespoke private retreat or an attractive neighborhood development.

The substantial dimensions of the land provide superb flexibility for custom architectural plans. Whether you envision a sprawling family villa complete with landscaped outdoor gardens, sun-drenched terraces, and private leisure spaces, or a thoughtfully designed residential project, the scale allows your plans to flourish within a peaceful and established setting.

Perivolía Larnakas delivers a relaxed coastal lifestyle paired with effortless everyday convenience. The plot is conveniently positioned close to local amenities, placing neighborhood grocery stores, traditional village bakeries, cafes, and daily services within easy reach, alongside quick access to surrounding beaches and greater Larnaca.
