Expansive 9031 m² Residential Plot in Mazotos Area - In An Under-development Area - Just 2.5Km From The Beach

€650,000

 Mazotos, Larnaca

Offering an exceptional canvas for your architectural vision, this expansive 9031 m² residential building plot presents an outstanding opportunity in the peaceful village of Mazotos, Cyprus. Offered at 650,000 EUR, the substantial parcel provides generous scope to design a bespoke private estate or pursue a curated residential development.

The sheer scale of the land ensures remarkable privacy and layout flexibility, allowing future owners to take full advantage of the tranquil Mediterranean environment. With its residential designation, the property serves as an ideal match for discerning buyers or investors seeking to craft a distinctive residential retreat in an authentic setting defined by open skies and peaceful surroundings.

Set within the welcoming community of Mazotos, this setting seamlessly blends countryside serenity with convenient access across the southern coast of Cyprus. Whether you envision a grand single residence framed by extensive gardens or a cluster of private homes, this property provides the space to bring ambitious plans to life. Contact CIC
