

#11402

Expansive 9,365 m² Residential Plot with Village Views in Chirokitia Area €430,000

 choirokoitia, Larnaca

Offering an expansive 9365 m² expanse of residential land, this substantial parcel presents an exceptional opportunity to create a custom dream home or thoughtful residential project. Priced at 430,000 EUR, the site combines generous proportions with picturesque village views, providing an inspiring setting for your architectural vision.

With such an extensive footprint, the grounds allow for complete creative freedom and abundant open space. Whether you envision a private country estate surrounded by expansive gardens or a bespoke residential enclave, the natural scenery and open surroundings create a peaceful, relaxed ambiance that celebrates rural living.

While enjoying the quiet charm and open horizons of its traditional village outlook, the property is situated conveniently close to everyday amenities. Essential services, neighborhood grocers, and local dining options remain within easy reach, offering the perfect harmony between tranquil retreat and modern convenience.
