Large 1,104 m² Residential Field in Liopetri Area €140,000 in Cul De Sac and Easy Acces to Amenities

📍 Liopetri, Famagusta

Offering an exceptional canvas for your dream build, this residential field spans a generous 1104 m² and presents an outstanding opportunity to create a bespoke living environment tailored precisely to your lifestyle, offered at 140,000 EUR.

The expansive parcel provides ample space to comfortably accommodate a substantial single-family residence, beautifully landscaped gardens, private outdoor entertainment areas, and dedicated parking. With such a versatile footprint, you have the flexibility to design an airy, light-filled architectural layout that effortlessly blends indoor comfort with outdoor leisure, ensuring maximum privacy and tranquility.

Situated within easy reach of nearby everyday amenities, the location balances quiet surroundings with genuine modern convenience. Essential services, neighborhood grocers, bakeries, and schools are just a short journey away, making daily routines straightforward and seamless for growing households or prospective residents.
