

Large Residential Plot with Mountain Views in Oroklini Area of Larnaca

€160,000

Oroklini, Larnaca

Set against an inspiring natural backdrop, this generous 550 m2 residential building plot in Oroklini presents an exceptional canvas for creating your dream home. Offered at 160,000 EUR, the site combines generous proportions with lovely mountain views, promising a tranquil and scenic environment for everyday living.

With its flat surface and well-proportioned dimensions, this large parcel offers straightforward design possibilities, allowing you to envision a bespoke residence tailored to your lifestyle. Imagine crafting bright, open-plan living areas that frame the surrounding peaks, complemented by private gardens and outdoor relaxation areas designed to make the most of the sunny Cyprus climate.

Positioned in a peaceful and welcoming residential neighborhood, the plot balances authentic community charm with effortless modern convenience. You will enjoy close proximity to essential local amenities, ensuring daily services, shops, and dining options are always within comfortable reach.
