## Office Space for Rent in Nicosia

€2,100 /month

📍 Strovolos, Nicosia

This spacious 335 sqm office in Nicosia is the perfect choice for businesses seeking a professional and private workspace. Located on the 2nd floor, it offers a well-organized layout with nine private offices, providing ample space for teams and executives. A large conference room is available for meetings and presentations, ensuring a professional setting for business discussions.

The office also includes a kitchen, offering convenience for staff, as well as four toilets for added comfort. A storage room provides extra space for organization, keeping the workspace neat and efficient.
